AI Guidance:

Here are short numbered instructions to guide you in filling the form: 1. Enter your full name in the "Full Name" field. 2. Provide a valid email address in the "Email" field (note: the example given, "satya@gmail.con", contains a typo and should be "satya@gmail.com"). 3. Create a strong password and enter it in the "Password" field. 4. Re-enter the same password in the "Confirm Password" field to verify it. 5. Click the "Register" button to submit the form and create your account. Note: The connection error message at the top of the form text appears to be a technical issue and can be ignored while filling out the form.
